

GIVE ME EVERYTHING

Music & Lyrics & Arr: C. Karlsson, M. Lenngren, S. Hjellström, Browsing Collection

Verse 1:

Everybody come and see, everybody follow me
What I do, what I say, everybody look at me
And even if you don't want you will do it anyway
'Cause I won't be satisfied if you give me just an okay

Pre-chorus:

Want it now, go get it now
Hurry up, no time to stop
Run away, do that for me

Chorus:

I can get what I want, what I need, it's so easy
I stand and you beg on your knees just to please me
Day after day you will work hard to keep me
Then you will do what it takes just to leave me

Verse 2:

Once you've started to follow me, it will be too late to turn around
You can't regret your actions 'cause you know that done is done
And you will stand right beside me without making a sound
And in the end you will find out that you're stuck and can not run
