

GREETINGS FROM WONDERLAND

Music & Lyrics: M. Lenngren, Browsing Collection

Verse 1:

Living the hard way, choosing a side
Nothing can be on the other hand
Waiting for pay day, run and hide
Please say hi to me from wonderland

Chorus:

Say it like you mean it, if you wanna keep it
Rock n' roll is not for the weak
Do it if they wan't it, if you wanna keep it
Or else they'll gonna make you a freak

Verse 2:

You must deserve this, to join the game
And you must obey the simple rules
It's not for weepers, who long for fame
But it sure fits all the shallow fools
