

# HOW ABOUT YOU

Music & Lyrics: C. Karlsson, M. Lenngren, S. Hjellström, Browsing Collection

## *Verse 1:*

You're running away  
Escaping from sanity  
There's no point in lying  
Exaggerate everything  
It can't go on  
You've got to believe in me  
You must be strong and see

## *Chorus:*

How about you  
Take a good look at yourself  
Judging me  
For everything  
What about this  
What's going on in your head  
Time to see, there's more than you

## *Verse 2:*

You're building a cage  
With me in captivity  
And ruling my life  
Like you know what's best for me  
But it's enough  
It's the last time I'm telling you  
Surrender, give up and see

## *Bridge:*

Take a look around  
How about you
