

# JUST WORDS

Music & Lyrics & Arr: C. Karlsson, M. Lenngren, S. Hjellström, Browsing Collection

## *Verse 1:*

You conquered my thoughts and dreams  
Captured all my lonely senses  
You lit up the darkest moments  
And you taught me to believe

But without your cover you look just like them  
And beneath the surface you look just like them

## *Chorus:*

I gave you life  
Every breath I took was for you  
I gave you love  
And for a moment I thought you did it too  
But you lied in front of my eyes  
And I was too blind to see it  
Now I see what I couldn't be  
I guess your love was not a feeling  
It was just words

## *Verse 2:*

You gave answers to my questions  
And responded every thought  
You replied to all my prayers  
And now you want me to let go

## *Bridge:*

My heart aches for you  
I thought you were true  
I couldn't see  
How you treated me
