

LET IT OUT

Music & Lyrics & Arr: C. Karlsson, M. Lenngren, S. Hjellström, Browsing Collection

Verse 1:

Trying hard to breathe it in
But my lungs are too sensitive
Like swallowing broken glass
(We won't be walking in the last)

I can't see why you still believe
We're surrounded by painted walls
These pictures and lines are lies
(Who did even come up with this)

Chorus:

You take it in but you never let it out
You take it in but you never doubt
You take it in but you never reflect about
You take it in but you never shout

Verse 2:

It's the pressure that messes you up
If you take one more step *(game over)*
It's obvious to me
(If you never take a risk you'll never get the chance to change)
