

SCREAM IT OUT LOUD (COVER AND DONE WITH)

Music & Lyrics & Arr: C. Karlsson, M. Lenngren, S. Hjellström, Browsing Collection

Verse 1:

Let me clear things out
I'm so sick and tired
Take a seat and let me speak
It's my turn to put the foot down
Let me clear things out
I have had enough
It's the end of our story
I don't have time to feel sorry

Pre-chorus:

One, You are high and low
Two, always need to control
Three, tear my heart and soul

Now answer my questions
I need your confessions
What ever you say
There's no chance you can stay

Chorus:

Let me hear you now
Let me hear you now
Let me hear you now
Scream it out loud
Can you tell me why
Can you tell me why
Can you tell me why
Scream it out loud
'Cause I do want to know
Really do need to know
What's the problem with you
Scream it out loud
Let me hear you now
Let me hear you now
Let me hear you now
Scream it out loud

Verse 2:

Let me hear you now
What's your defense this time
Take a seat I'll let you speak
It's the last chance you will get, so
Let me hear you now
Tell me all about
What's going on inside your head
What's going on, what's going on
