

WORKING ON THE TITLE

Music & Lyrics & Arr: C. Karlsson, M. Lenngren, S. Hjellström, Browsing Collection

Verse 1:

I barely know your face
You forced yourself to change
One day you'll realize
You weren't the strongest
Don't you bother me
Trying to explain
It's not what we're aiming for
You've crossed the line

Pre-chorus:

Always the easiest way
Always the best for you
Let us get rid of this
Make up your mind and align

Chorus:

Working on the title maybe you don't see what I see
Can we stop pretend, put this to and end
Working on the title maybe I'm not clear enough, well
Can we stop pretend, put this to and end
Time to decide, to decide
Don't you deny, you deny
Working on the title maybe I'm not clear enough, well
Can we stop pretend, put this to and end

Verse 2:

Trying hard to see
But it's impossible
Why did you have to fall
Why did you lose it all
Let's end this call right now
I don't have time for this
You know you're not that sharp
As you depict

Bridge:

I know, I know who you are
I know, I know who you are
We know, we know who you are
We know, we know who you are
