

ONE TIME A YEAR

Music: M. Brander, C. Karlsson, M. Lenngren, N. Lenngren

Lyrics: M. Brander, M. Lenngren

Verse 1:

One time a year when you go undercover
Break all the rules, take a life from another
Over and done with it, stay out of trouble
You can get what you want, won't you go for a double

Verse 2:

Trust not a foe, not your friend nor a brother
On the alert, keep an eye on your lover
Don't try to reason, no call for a veto
Close all the curtains, don't look through the windows

Pre-Chorus:

We wait for the storm to take us
They wait for dessert
Stay composed and hold your focus
Be on your alert

Chorus:

We can, we can take a run and get out of here
We can, we can take a run and get out of here
We can, we can take a run and get out of here
We can, we can run

Verse 3:

Gamble with life, take a chance for a purpose
Risking it all when your town turns to circus
Fray for existence, you know you're the target
Abide by the game or you will be departed
