

GOTTA GET AWAY

Music & Lyrics & Arr: C. Karlsson, M. Lenngren, S. Hjellström, Browsing Collection

Verse 1:

If there's something you can't cope with
Full of things you have to deal with
If you can't do what you prefer
Carrying troubles on your shoulder

Chorus:

Gotta get away, gotta get away
Gotta get away from everything
Gotta get away from here
You've got something, I've got something
We've got something, gotta get away
That you run from, that you hide from
That you flee from, get away

Verse 2:

Ease your mind and let it out
You better run than put up a fight
Let your complications stay
Just put on your shoes and run away
