Verse 1:

We are in a hurry now, are in a hurry now, are in a hurry now
Time is running out, it's coming closer now, it will tear us down
Time, time is running out, time is running out, time is running out
Coming closer now, it will tear us down, we gotta stay, we gotta stay
We gotta stay, can't run away

Chorus:

So make a move 'cause the time is hunting you
And wake up fool 'cause you're staring at the truth
Are you feeling good now, feeling good now
Feeling good now, feeling good
I think you're looking good, I think you're looking good
I think you're looking good, so good good good good

Verse 2:

Don't, don't turn your eyes away, turn your eyes away, turn your eyes away
Could you stand to know you had the chance to change
Instead you just ignored, pretended you didn't had the strength
Time, time is running out, time is running out, time is running out
Coming closer now, it will tear us down, we gotta stay, we gotta stay
We gotta stay, can't run away
